

## ***Merry Christmas & Happy Holidays from KDS!***

December has been full of so many wonderful learning experiences for our students and we are so fortunate to have such a supportive Home & School and caring staff that have helped to make these opportunities possible. Take a look at a glance back from December.

### **Cinderella @ Neptune Theatre:**

All of our students had the opportunity to go and watch live theatre in Halifax in early December. This was an amazing show and the students and staff loved it!

### **Christmas Concert:**

What a wonderful performance our students put on. Mrs. Bruce did a wonderful job preparing our students for their performances. Everyone should be proud!

### **Shop & Save and Turkey Dinner:**

Big day and the students had so much fun shopping for their families and then enjoying a full turkey dinner provided by the Home & School. Thank you volunteers!

Students loved the theme days and also the crafts they were able to make in their classrooms! Such school spirit!

***Looking forward to seeing everyone on January 3, 2019!***
