

HANTS NORTH RURAL HIGH SCHOOL

SCHOLARSHIPS AND BURSARIES

WINTER LISTING

February 15, 2019

ALL STUDENTS WHO PLAN TO ENROL IN POST-SECONDARY EDUCATION IN SEPTEMBER 2019 SHOULD EXAMINE THE FOLLOWING LIST FOR YOUR ELIGIBILITY.

Most universities have an entrance scholarship program. Many universities, including our local ones, list the available scholarships in their calendar, on their website or in a special brochure. If you call a university for more information just ask for the Awards Office.

Students should also check with their parent's employers, unions, and service organizations as they might have other awards available. If you learn of any not listed here please give this information to Student Services.

For further information on any award or program or for help in applying please see your counsellor. A number of awards require nomination by the principal or by someone else in the school. You should not expect this to be automatic. If you would like to be nominated please inform your counsellor, well before the deadline date.

Some items in this list may have incomplete or outdated information; however the Guidance office may have received more information since the booklet publication date.

Parents and students may wish to go online to research awards. You could go to any university website or search for donor organizations. Three examples are:
