

HNRH/KDS Spring Update 2021

As we start back after March break we are excited to have students back with us. We hope everyone enjoyed their time. We have a busy time ahead as we move into our final few months of the school year. June will be here in no time.

We have a few staffing notes to share. Ms. Oslen will be returning in the coming weeks after being off for maternity. Thank you to Ms. Robyn Brown for her efforts with our students in her absence. Ms. Amy Brown will be heading off soon for maternity leave and Mr. Tingley will be in to work with her students for a while with Ms. Robyn Brown finishing the year. Mr. Tingley will finish the year off with us for Ms. Day as she heads off for maternity as well. Ms. Jeannie Davis has been in for Ms. Jodi Davis and has made positive contributions to our school.

Tina Munroe, our new Administrative Assistant has adjusted well and has been a positive addition to our staff and community. Kareen Knox is completing her final Counselling certifications. Kareen is with us until the end of April and has been making an impact.

We thank everyone for their work with our students and their positive impacts.

Covid Related items

- We ask students and parents to continue to follow Covid protocols and screening procedures daily as outlined by Public Health
- Please ensure that the school has your most up to date contact information including address, phone number(s), emails, and emergency contact info (this is very important in relation to covid tracking)
- Planning is well underway in the event of Covid changes to schooling including a blended model of delivery and a learn at home scenario.
- Masks will continue to be expected to be worn by grades 4-12 students

KDS Home and School Group/HNRH SAC

Our home and school group has registered with the registry of joint stocks so we are now able to apply for some additional sources of funding for projects around the school. The playground project is funded and we will await installation this summer. Next meetings will be held May 3rd.
